

SAYTA RANCH – CAMPSITE , HORSES AND MUCH MORE

✓ DAY 01 – SALTA – HALF DAY CITY TOUR

Arrival to Salta airport and transfer to the hotel.

The province of Salta is one of the most chosen destinations in Argentina, our culture, gastronomy, hospitality and landscape. Salta combines the attractions of a vast territory that encompasses all kinds of landscapes, from the aridity of the Puna desert to the lush green of the jungle.

Salta has different and rich protected ecosystems in Provincial Reserves and the three National Parks, Baritú, Los Cardones and El Rey, where the tropical forest and the wild high altitude landscape coexist.

Each town or city in the province offers gastronomic places with a great variety of typical food. You can also find national and international gourmet food.

Its landscapes, its colors, the mountain breeze and a transparent sky, make the Salta Wine Route the chosen place to enjoy historical towns, vineyards, wineries and wines.

Half day City Tour.

The foundation of the city of Salta dates back to 1582, made by a Spaniard coming from Peru. Its architecture is of a well-preserved colonial nature, which makes the city captivating because of the vigorous contrast between its colonial buildings and its modern architecture. It is the largest city in the north of the country, which offers a variety of attractions to explore the surroundings or even to practice adventure sports.

Salta is home to some architectural gems, such as the Convent of San Bernardo, the Church of San Francisco and the Cabildo (former seat of the Spanish colonial authorities) where the 'Museo Histórico del Norte' works. From the top of the San Bernardo Hill you can enjoy a panoramic view of the city, with its residential areas and also the monument to General Martín Miguel de Güemes. (Cable -car not included)

In the surroundings of the center, we visited an interesting crafts market, where crafts of all kinds converge with a unique variety. This building was a Jesuit home.

For all these reasons, it is undoubtedly said that we are in one of the most dazzling cities in Argentina. Salta in Aymara language Salta means "the most beautiful".
